

Faculty-Student Showcase Audition Info

Every year, the Harrison community looks forward to the Faculty-Student Showcase. This event features our talented students and faculty and raises money for our Senior Scholarships given out at the end of the school year. This year's Faculty-Student Showcase will be presented virtually on Thursday, October 29 at 7:00 p.m.

Students and groups who wish to be a part of this year's showcase will submit a finished audition video that will be used as the video for the actual event if they are selected. Students will not be able to "redo" their video after the audition if they are selected, the audition video needs to be the final product.

What are the judges looking for?

- A variety of acts (not just all vocal solos)
- Ensembles (trios, quartets, and more) are always appreciated
- Acts that are relatively short (around 2-3 min)
- Acts that are appropriate for a wide-age range
- Any Harrison student can audition (groups should also be made up of Harrison students)

Students who wish to submit an audition video have until midnight on Monday, October 19. Students will complete the audition form online which includes a place for students to provide a link to view/download the video through OneDrive, Google Drive, Dropbox, Box, etc. *(Please do not upload your video to YouTube.)*

When you are ready to submit your audition video, [click here to complete the online audition form](#).
