<sup>1</sup>See Math & Science Pre-requisite. <sup>2</sup>Based on HS credit earned in Grade 8. <sup>3</sup>Denotes honors level class (with .5 weighting)  
 Note: This is a general scheduling model which may need to be adjusted to fit the scheduling needs of individual students. The final decision for placement in academic classes will be based on 8<sup>th</sup> grade FSA scores in Math/English/Science and/or EOC scores, class grades, and teacher/counselor recommendation. On-line courses may be appropriate to accommodate advanced courses. Students who do not achieve a passing score on state mandated tests may be required to take remedial classes in reading and/or math and may also be required to enroll in virtual learning in order to continue enrollment at Harrison.
